Sir,

TELEPHONE - Mangalore Town - Crime Branch Station - installation of Telephone connection - sanction - Requested

---

Ref: Letter Ref. C.No.711/B3/49 dated 30-5-49 from the District Superintendent of Police, South Kanara.

The District Superintendent of Police, South Kanara in his letter cited above requests the installation of a telephone connection to the Mangalore Crime Branch Station.

2. The crime Branch Station is situated in a room in the upstairs of the building of the Mangalore Town Station. The Mangalore Town Station has already been installed with telephone connections.

3. The District Superintendent of Police states that the necessity of a telephone connection to the Crime Branch, situated upstairs of the Mangalore Town Station building is keenly felt on account of voluminous work and also on account of the congestion at the Manglore Town Station the telephone lines at present. The speedy dessemination of information to the Crime Branch Station is therefore, being hampered and the public also find it difficult to contact the Crime Branch staff directly for want of a telephone connection. I agree with the District Superintendant of Police that a separate telephone connection to the Crime Branch station is essential and accordingly recommend sanctioning of the installation of a telephone connection to the Crime Branch station, at Mangalore.

Yours faithfully,

For Collector.
